GENERAL INFORMATION

Dear Participant,

We're so happy to welcome you to the **7th Summer Training Camp of EYP Azerbaijan!** Over the next few days, you'll be part of something truly special—a space where **learning meets nature**, where **challenges become growth**, and where **strangers become teammates and friends**.

This camp is a celebration of what it means to **grow together**. Surrounded by the calm of the outdoors and the energy of the **EYP spirit**, you'll take part in sessions designed to strengthen your skills, expand your perspective, and help you discover your leadership style. Whether you're diving into the world of **media**, learning the ropes of **organising**, exploring **academic roles**, or participating in hands-on training, every moment is built to help you take the next step in your EYP journey.

But it's not just about sessions and schedules. This is also a time to slow down, reflect, and connect. You'll laugh during evening activities, find unexpected inspiration during casual conversations, and leave with memories that last long after the final day. This camp is your chance to **try new things**, **ask questions**, and **find your voice** — all in a supportive, encouraging environment.

Led by a passionate team and guided by the theme **“Bloom Through Challenges, Lead with Strength,”** this camp is about discovering what you're capable of when you step out of your comfort zone. We believe in your **potential**, and we can't wait to see the amazing things you'll do — not just this week, but beyond.

Take a deep breath, stay curious, and make the most of every moment. We're so excited to share this experience with you.

WELCOME WORDS HEAD ORGANISERS

Dear reader,

It is with great excitement and heartfelt warmth that we welcome you to the **7th Summer Training Camp of EYP Azerbaijan!** Under the bright summer sun, surrounded by nature's tranquillity, and dressed in comfortable clothes, learning becomes not just more effective but also more enjoyable. The event is designed to cultivate an environment where you can engage in meaningful discussions, develop essential skills, and immerse yourself in the unique **spirit** of EYP.

The **lotus** flower symbolises strength, resilience, and transformation—growing beautifully even in the murkiest waters. Much like the lotus, we believe that true growth comes from overcoming challenges. Through this camp, you will have the opportunity to refine your knowledge, strengthen your teamwork, and enhance your leadership skills, all while forging lifelong connections.

Nestled in the heart of **Azerbaijan's** breathtaking natural beauty, this training camp offers a refreshing balance between self-discovery and structured learning. It is a space where you can relax, reflect, and recharge, all while gaining a deeper understanding of EYP's structure and the official positions of the session.

We encourage you to embrace this journey with an open mind and a determined spirit. Let this camp be a place where you challenge yourself, support one another, and grow together. We are thrilled to embark on this transformative experience with you and look forward to witnessing the incredible potential that each of you brings. **Welcome** to an unforgettable journey of learning, growth, and connection!

WELCOME WORDS HEAD TRAINER

Hello, my dear friend!

No matter where you're coming from — whether this is your first time in EYP or one of many — I want to warmly welcome you to this space. The **7th Summer Training Camp of EYP Azerbaijan** is more than just an event. It's a pause. A chance to learn, unlearn, meet new people — and maybe even meet a new version of yourself.

Time will move fast. The camp will begin, and before we know it, it will end. But what will stay with you are the moments you were truly present: the conversations you opened yourself to, the people you connected with, the times you showed up with your full heart. This edition of STC will never happen again — and that's exactly what makes it so **special**.

Over the coming days, you'll step into many kinds of moments: thought-provoking discussions, shared **laughter**, silent reflections, and maybe even a quiet breakthrough. And perhaps — just perhaps — the person sitting beside you today will be someone whose journey you'll get to witness and celebrate for years to come.

Speaking from my journey — I've been attending STCs for the past four years, and each one has been a milestone in my personal growth. I've seen the people I began this journey with people who have become head organisers. I've watched my chairs turn into presidents. And I've stood beside friends as they grew into thoughtful, capable adults — in EYP and life.

This is a space shaped by honesty, support, learning, and care. You don't need to have all the answers. You don't need to stand out. You only need to stay open to others and yourself. My hope is that you leave this camp with something **meaningful**: maybe a new idea, a genuine connection, or simply a moment that made you feel truly seen. Welcome to the journey. Let's be present for all of it.

Hoping to meet you soon,

Jerennil Soylu

Head Trainer of the 7th Summer Training
Camp of EYP Azerbaijan
